ENGLISH COMMON LAW REPORTS,
57 volumes, with a compilete Index to the first 47 vols.
Since volume 39 of this series, The English Common Law Reports have been reprinted in full. With volume 44 we commenced binding each English volumeseparately, instead of, as formerly, two English in one American volume.

Price per set for the first 43 vols. \$3 50 per vol.

The reputation which these Reports maintain in England and in the United States, is known to all the Profession. The low price at which they are offered, compared with the rates of some of the principal American Reports, of even inferior merit, recommends them particularly to the attention of those purchasing Libraries.

A GENERAL INDEX To the first forty-seven volumes of THE ENGLISH COMMON LAW REPORTS.

By Hon. George Sharswood and George W. Bid die, esq.

With this Key to their contents, the English Common Law Reports present to the Profession a mass of legal learning in the shape of Opinions, Dicta, elaborate Arguments. &c., &c., sufficient, probably, for the Elucidation and Prosecution or Defence of any case that can arise in our Courts of Law: and being thus made easily and instantly accessible, these Reports will be found so comprehensive, convenient, and cheen as to supersed the sive, convenient, and cheap, as to supersede the necessity of other and more expensive series.

The Index will be found of great value to all possessing the reports; and of great convenience to these having access to, but not owning the series.

THE WILD CHERRY AND SARSAPARILLA, which, on the basis of this preparation, have long been celebrated in Consumption and Scrofula, Diseases of the skin, Coughs, Colds, Spitting of Blood, Asthma, &c. Though this remedy has been but a short time before the public, yet it has gained perhaps more character and reputation as a curative in those diseases than any remedy of the day. The Bishop of the Protestant Episcopal church, (the Right Rev. W. R. Whittingham,) authorized us to say he has used it in his own person with decided benefit—Dr. S. Harper, of Kent Island, has written to us, he has used it with great success in his practice [see his letter in the pamphlet.] And in a letter from a lady on the Eastern Shore of this State, she says: "I had a letter from Miss E-on Turesday; she says mother has requested her to say, Isabel derived almost instantaneous relief from DR. DR. MARTIN'S COMPOUND SYRUP OF WILD CHERRY has done, we feel bound to make it known. There never was an article in this country that has afforded relief and gave more satisfaction than this. A certain cure for Ague, Fever and Dyspepsia.—In our summer and fall menths many sections of our country are prostrated by BILIOUS FEVER, and AGUE and FEVER. It has been our particular to the section of the section o and AGUE and FEVER. It has been our particular study to find out some remedy to stop this dreadful scourge, and think in this TONIC we have effected this great object. It is also, we think, the very best remedy in Dyspepsis, and, if our directions are followed, will not fail to effect a cure. In a letter dated May 23, 1849, our Agent, Mr. Elias Raub, of Wrightsville, York county, Penn, says: I have never known any remedy for Feer and Ague equal to your INVALUABLE NATION. AL TONIC. It has given universal satisfaction, and has cured cases of Ague of years' standing, and says: I have never known any remedy for Feger and Ague equal to your INVALUABLE NATION-AL TONIC. It has given universal satisfaction, and has covered cases of Ague of years' standing, and after the failure of all other medicines made use of.

Mr. Henry Beverson, of the same place, says in his certificate dated 22d March, 1849: "I applied to a number of physicians, and also used a variety of the most popular Ague Mixtures at different times, but all without the desired effect, no permanent cure having been effected. I was at length induced, at the recommendation of your worthy agent at this piace, to try a bottle of your NATIONAL TONIC, and to my great satisfaction, before I had used half of it, I left completely cured, though I continued the use of it till I had taken two bottles." In a joint certificate from Messrs. Miles Kaho, William Blackson, and James D. Brown, of the same place, they say: "Having tried nearly all the remedies within our reach without success, we atlast purchased some of your NATIONAL TONIC, which has completely cured us. We cheerfully recommend it to the notice of all persons afflicted with that terrible disease as the best remedy yet discovered."
